# PUBLIC HEALTH, B.S. TO PUBLIC HEALTH, M.P.H. ACCELERATED PROGRAM

Saint Louis University's accelerated Bachelor of Science in Public Health/Master of Public Health (M.P.H.) is designed for students who demonstrate academic success in the public health major and related coursework. The B.S. in Public Health and the M.P.H. degrees are accredited by the Council on Education for Public Health.

This accelerated program enables public health majors to obtain their undergraduate and master's degrees in five years; they then enter the workforce up to a year earlier than with traditional two-year M.P.H. programs.

Students apply to the accelerated program during their junior year, and accepted students begin graduate coursework during their senior year. Students retain undergraduate status, financial aid and tuition rates until their undergraduate degree is conferred after year four. At that time, students attain official graduate student status, pay graduate tuition and become eligible for graduate assistantships.

Students in SLU's accelerated B.S./M.P.H. program choose one of eight concentrations:

- Behavioral Science and Health Equity (https://catalog.slu.edu/ colleges-schools/public-health-social-justice/graduate-programs/ public-health-mph/behavioral-science-health-equity/)
- Biosecurity and Disaster Preparedness (https://catalog.slu.edu/ colleges-schools/public-health-social-justice/graduate-programs/ public-health-mph/biosecurity-disaster-preparedness/)
- Biostatistics (https://catalog.slu.edu/colleges-schools/public-healthsocial-justice/graduate-programs/public-health-mph/biostatistics/)
- Epidemiology (https://catalog.slu.edu/colleges-schools/publichealth-social-justice/graduate-programs/public-health-mph/ epidemiology/)
- Global Health (https://catalog.slu.edu/colleges-schools/publichealth-social-justice/graduate-programs/public-health-mph/globalhealth/)
- Health Management and Policy (https://catalog.slu.edu/collegesschools/public-health-social-justice/graduate-programs/publichealth-mph/health-management-policy/)
- Maternal and Child Health (https://catalog.slu.edu/colleges-schools/ public-health-social-justice/graduate-programs/public-health-mph/ maternal-child-health/)
- Public Health Practice (https://catalog.slu.edu/colleges-schools/ public-health-social-justice/graduate-programs/public-health-mph/ public-health-practice/)

For additional information, see the catalog entries for the following programs:

Public Health, B.S. (https://catalog.slu.edu/colleges-schools/public-health-social-justice/undergraduate-programs/public-health-bs/)

Public Health, M.P.H. (https://catalog.slu.edu/colleges-schools/public-health-social-justice/graduate-programs/public-health-mph/)

## Admission

Saint Louis University students in the public health major who meet the eligibility requirements may apply in the fall semester of their junior year.

Eligibility requirements include:

- · Students must be in their fifth semester of collegiate study.
- · Students must have a minimum cumulative GPA of 3.40.
- Students must demonstrate a plan to complete 90 credits of the 120 credits required for their public health major by the beginning of their fourth year of studies.
- Students must be eligible to complete the accelerated curriculum with no more than 15 credits during each semester in year four of the program.
- Students must be in good academic and disciplinary standing with Saint Louis University and the College for Public Health and Social Justice.
- Students must demonstrate the potential for leadership in public health; this can be done through engagement in volunteer activities or work experience.

Application procedures and program details are outlined in the College for Public Health and Social Justice Undergraduate Public Health Student Handbook (https://sites.google.com/a/slu.edu/my-cphsj/home/ undergraduate/undergraduate-public-health-programs/ugph-studenthandbook/).

## Requirements

### **Undergraduate Course Requirements**

Public Health Ele level class.	ective: Accelerated Students substitute a graduate	3		
Undergrad Gener	ral Elective Courses			
Select an additional 46-49 credits of general electives to achieve the 46-49 minimum 120 credits for graduation.				

- ‡ Fulfills the cultural diversity core requirement.
- The accelerated B.S./M.P.H. program allows students to use up to 15 graduate credits towards their undergraduate degree.

#### **Graduate Courses**

Accelerated applicants choose one of six M.P.H. concentrations. The chosen concentration determines the graduate course requirements. Graduate requirements may change by the time students are formally accepted to the graduate program in the second semester of junior year. See the Master of Public Health requirements page (https:// catalog.slu.edu/colleges-schools/public-health-social-justice/graduateprograms/public-health-mph/#requirementstext) for a list of the current courses.

- · Behavioral Science and Health Education
- · Biosecurity and Disaster Preparedness
- · Biostatistics
- Epidemiology
- · Global Health
- Health Management and Policy
- · Maternal and Child Health

#### **Continuation Standards**

- · Cumulative G.P.A. of at least 2.00
- · Cumulative GPA of at least 3.40 in order to participate in the graduate program
- · Minimum grade of B- in all graduate-level courses
- · Minimum grade of C in all B.S. in Public Health major courses
- Minimum grade of C- in all core courses
- · Minimum grade of D in all remaining general elective courses counting toward the minimum 120 credits required for graduation
- · Students who wish to apply for the accelerated B.S./M.P.H. program must meet additional requirements as outlined in the CPHSJ Undergraduate Public Health Student Handbook (https:// sites.google.com/a/slu.edu/my-cphsj/home/undergraduate/ undergraduate-public-health-programs/ugph-student-handbook/).

### Roadmap

Roadmaps are recommended semester-by-semester plans of study for programs and assume full-time enrollment unless otherwise noted.

Courses and milestones designated as critical (marked with !) must be completed in the semester listed to ensure a timely graduation. Transfer credit may change the roadmap.

This roadmap should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor/mentor each semester. Requirements, course availability and sequencing are subject to change.
