SOCIAL WORK, MINOR

Saint Louis University offers an undergraduate minor in social work that can be completed in 18 credits.

A minor in social work provides students with an understanding of the social work profession, the issues that social work addresses and the values that drive the profession.

Students considering pursuing an M.S.W. will not be able to obtain advanced standing toward the M.S.W. with a minor in social work. Only students with a Bachelor of Science in Social Work (https://catalog.slu.edu/colleges-schools/social-work/social-work-bs/) can obtain advanced standing.
