### MULTI-DISCIPLINARY (MD)

**MD 0100 - Professional and Personal Development I**  
Credit(s): 1-6 Credits  
By participating in classes and activities, students will have the opportunity to learn about and develop in various areas of lifestyle management that contribute to becoming a successful physician, including: self-knowledge, study skills, self-directed learning, professionalism, and wellness. The PPF is a two-year course that combines a number of mandatory events, lectures and experiences into a course that is focused on the personal and professional development of medical students. Three specific areas of development will be explored within the course content; 1) Professionalism, 2) Personal Growth and 3) Wellness. Students will participate in educational experiences in each of these areas.

**MD 0200 - Special Study for Exams**  
Credit(s): 0-10 Credits

**MD 0201 - Preclinical Comprehensives**  
Credit(s): 1-10 Credits

**MD 0202 - Professional and Personal Development II**  
Credit(s): 1-6 Credits
