MULTI-DISCIPLINARY (MD)

MD 0100 - Professional and Personal Development I
Credit(s): 1-6 Credits (Repeatable for credit)
By participating in classes and activities, students will have the opportunity to learn about and develop in various areas of lifestyle management that contribute to becoming a successful physician, including; self-knowledge, study skills, self-directed learning, professionalism, and wellness. The PPF is a two-year course that combines a number of mandatory events, lectures and experiences into a course that is focused on the personal and professional development of medical students. Three specific areas of development will be explored within the course content; 1) Professionalism, 2) Personal Growth and 3) Wellness. Students will participate in educational experiences in each of these areas.

MD 0200 - Special Study for Exams
Credit(s): 0-10 Credits (Repeatable for credit)

MD 0201 - Preclinical Comprehensives
Credit(s): 1-10 Credits (Repeatable for credit)

MD 0202 - Professional and Personal Development II
Credit(s): 1-6 Credits (Repeatable for credit)
