MULTI-DISCIPLINARY (MD)

MD 0100 - Professional and Personal Development I
Credit(s): 1-6 Credits (Repeatable for credit)
By participating in classes and activities, students will have the
topportunity to learn about and develop in various areas of lifestyle
management that contribute to becoming a successful physician,
including; self-knowledge, study skills, self-directed learning,
professionalism, and wellness. The PPF is a two-year course that
combines a number of mandatory events, lectures and experiences into
a course that is focused on the personal and professional development
of medical students. Three specific areas of development will be explored
within the course content; 1) Professionalism, 2) Personal Growth and 3)
Wellness. Students will participate in educational experiences in each of
these areas.

MD 0200 - Special Study for Exams
Credit(s): 0-10 Credits (Repeatable for credit)

these areas.

MD 0300 - Clinical Correlations
Credit(s): 1-10 Credits (Repeatable for credit)
This course is used to remediate NBME subject exam failures. Students
cannot register for this course themselves.

MD 0301 - Introduction to Core Clerkship
Credit(s): 1-12 Credits (Repeatable for credit)
This course provides training in skills and procedures required for all
students to begin the core clerkships.

MD 0302 - Caring with Compassion
Credit(s): 1-3 Credits (Repeatable for credit)

MD 0406 - Clinical Paradigms 1
Credit(s): 1-6 Credits (Repeatable for credit)
This course is a study period for USMLE Step 2CK and USMLE Step 2CS.
The maximum length of study time is 4 weeks. Students are graded
Pass/Fail and receive 1 credit hour per week of study for a maximum of 4
weeks.

MD 0407 - Clinical Paradigms 2
Credit(s): 1-6 Credits (Repeatable for credit)
This course is a supervised study for remediation of USMLE Step 1 or
Step 2. The length of this course may be 2 or 4 weeks. Students are
graded Pass/Fail and receive 1 credit hour per week of study. Students
cannot register for this course themselves: the Office of Academic
Records will register students in this course at the request of Dr. Duffy.

MD 0411 - Year 4 Ph.D. Credit
Credit(s): 2-20 Credits
MD 0411 allows students completing the PhD to apply up to 10 credit
hours of their PhD research to the elective requirements of the MD
Degree Program. Students may not register individually for MD 0411:
staff in the Office of Academic Records will complete this registration.
The appropriate number of credit hours and grade (Pass/Fail) will be
provided in writing by the MD/PhD Program Director. These credits should
be posted to the student record (via registration and grading) in the
fourth year of the MD Degree Program as soon as they are received to
ensure that the elective credit requirement for graduation is accurate and
complete.

MD 0412 - Year 4 M.B.A. Credit
Credit(s): 8 Credits
