Topics will include American public law; federal/state/local law governing business and industry; torts and contracts; litigation and arbitration; regulatory law; labor and employment law; compensation law; consumer protection; law as it relates to profit/nonprofit and public/private sector organizations. Students will apply course content and case law to a real world legal issue in the completion of an augmented closed brief.  
Prerequisite(s): OSTD 3005 with a grade of C or higher  
Restrictions:  
Enrollment limited to students in the Schl for Professional Studies college.  
Attributes: Prof. Studies Students Only

PST 3400 - Marketing Strategies in Orgs  
Credit(s): 3 Credits  
An analysis of the fundamental principles and strategies of marketing. Students will gain an understanding of the functional role of marketing within an organization and within the expanding global economy. Students will gain a deeper understanding of the external and internal variables that affect Marketing; eCommerce marketing; the roles of advertising, public relations, and sales; Integrated Marketing's role in the 21st century; and Strategic Marketing Planning. Students will integrate knowledge and skills acquired throughout the course with outside sources and information in order to develop an integrated marketing plan for an organization.  
Prerequisite(s): OSTD 3005 with a grade of C or higher  
Restrictions:  
Students with a semester level of Freshman or Sophomore may not enroll.  
Enrollment limited to students in the Schl for Professional Studies college.  
Attributes: Prof. Studies Students Only

PST 3930 - Special Topics  
Credit(s): 3 Credits (Repeatable for credit)

PST 3980 - Independent Study  
Credit(s): 1 or 3 Credits (Repeatable for credit)

PST 4840 - CIPP Capstone Course  
Credit(s): 1 Credit  
The SLU-CIPP capstone course is aimed at providing students with the students with the opportunity to integrate the knowledge and skills they have acquired through the degree program, provide experiences for students to engage in meaningful interactions with their community, and offer the time for students to produce a portfolio demonstrating their academic accomplishments throughout the course of the degree program. By working on a capstone project that draws on prior course work and that culminates in a community service project students utilize their critical thinking skills in synthesizing previous course work and extend and develop their own original ideas.  
Restrictions:  
Enrollment limited to students in the Schl for Professional Studies college.  
Attributes: Prof. Studies Students Only

PST 4900 - Social Science Research Method  
Credit(s): 3 Credits  
Social Science Research Methods is designed to initiate the student to current social and policy research technologies and practices. In this course the student will engage in the study of both quantitative and qualitative approaches to social science research using a systematic process. Issues in criminal justice, public policy and administration, and urban planning will be the primary focus of research and cases. Major theories and concepts in social science and policy research applicable to these topics, as well as selected student projects, will be addressed through lectures, readings from the text, audio/visual presentations, class discussions, cases, and practice exercises. This course will provide the student with opportunities to think critically about social science and policy research and possible solutions to current problems confronting the criminal justice system, public policy decision-makers and social science research professionals.  
Prerequisite(s): CIS 2850  
Restrictions:  
Enrollment limited to students in the Schl for Professional Studies college.  
Attributes: Prof. Studies Students Only
