This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0304 - Esse Health - Excel Imaging
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0305 - Interventional Radiology @ Cardinal Glennon Children's Hospital
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0306 - Interventional Radiology @ John Cohran Veterans Administration
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0307 - Interventional Radiology @ SSM Saint Mary's Hospital
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0308 - Mercy Hospital - Radiology & Pediatric Radiology
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0309 - Interventional Radiology @ SSM Saint Louis University Hospital
Credit(s): 1-4 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0310 - Vascular Institute at DePaul
Credit(s): 1-4 Credits (Repeatable for credit)
We provide endovascular management for a wide variety of vascular problems, including peripheral vascular disease and chronic venoocclusive disease, but primarily we provide management for dialysis vascular access. Students on a 2-week rotation will be exposed to the many varied endovascular interventions primarily focused on maintaining a dialysis vascular access, as well as other vascular problems.

R 0401 - Diagnostic Radiology- Saint Louis University Hospital
Credit(s): 2-12 Credits
The student will rotate through General Diagnostic Radiology, Computed Tomography, Ultrasound, MRI, Neuroradiology, and Interventional/Body Procedures. Students are expected to attend designated clinical radiological conferences and daily read out sessions. The student will observe the activities in each area including image interpretation and/or procedures. Discussion in formal and informal settings will center on the role of the radiologist in the management of diverse clinical situations, and the indication and limitations of the various techniques.
R 0412 - Interventional Radiology in Oncology at SLU
Credit(s): 4 Credits
The goal of this elective is to provide medical students with an introduction to interventional radiology, now recognized as a distinct specialty by the American Board of Medical Specialties. IR utilizes real-time imaging to perform minimally-invasive vascular and interventional procedures. The goals of the 4th year medical student rotation in the vascular and interventional radiology department of St. Louis University are based on the Accreditation Council for Graduate Medical Education (ACGME) six core competencies used by graduate medical education programs to evaluate trainees. The six ACGME Core Competencies are: patient care; medical knowledge; practice-based learning and improvement; interpersonal and communication.

R 0901 - Radiology Direct Patient Care
Credit(s): 1-12 Credits (Repeatable for credit)
This course may be used to register for a Radiology elective. The elective experience must fulfill the requirements for a direct-patient care elective. The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0903 - Radiology Research
Credit(s): 1-12 Credits (Repeatable for credit)
This course may be used to register for a Radiology elective. The elective experience must fulfill the requirements for a research elective. The location of the experience may be at a SLU SOM affiliate or at another health care institution.
