R 0302 - Radiology Career Exploration
Credit(s): 1-2 Credits (Repeatable for credit)
This course may be used to register for Radiology career exploration. The location of the experience may be at a SLU SOM affiliate or at another health care institution.

R 0304 - Esse Health - Excel Imaging
Credit(s): 1-4 Credits (Repeatable for credit)

R 0305 - Interventional Radiology @ Cardinal Glennon Children's Hospital
Credit(s): 1-4 Credits (Repeatable for credit)

R 0306 - Interventional Radiology @ John Cohran Veterans Administration
Credit(s): 1-4 Credits (Repeatable for credit)

R 0307 - Interventional Radiology @ SSM Saint Mary's Hospital
Credit(s): 1-4 Credits (Repeatable for credit)

R 0308 - Mercy Hospital - Radiology & Pediatric Radiology
Credit(s): 1-4 Credits (Repeatable for credit)

R 0309 - Interventional Radiology @ SSM Saint Louis University Hospital
Credit(s): 1-4 Credits (Repeatable for credit)

R 0310 - Vascular Institute at DePaul
Credit(s): 1-4 Credits (Repeatable for credit)

R 0401 - Diagnostic Radiology- Saint Louis University Hospital
Credit(s): 2-12 Credits

R 0402 - Radiology Career Exploration
Credit(s): 1-4 Credits (Repeatable for credit)

R 0403 - Diagnostic Radiology- Cardinal Glennon Children's Hospital
Credit(s): 2-12 Credits

R 0404 - Neuroradiology- Saint Louis University Hospital
Credit(s): 2-12 Credits

R 0405 - Vascular and Interventional Radiology
Credit(s): 1-12 Credits (Repeatable for credit)
The goal of this elective is to provide medical students with an introduction to interventional radiology, now recognized as a distinct specialty by the American Board of Medical Specialties. IR utilizes real-time imaging to perform minimally-invasive vascular and interventional procedures.

R 0406 - Breast Imaging and Intervention
Credit(s): 1-4 Credits (Repeatable for credit)

R 0407 - Interventional Radiology in Oncology at SLU
Credit(s): 4 Credits
The goal of this elective is to provide medical students with an introduction to interventional radiology, now recognized as a distinct specialty by the American Board of Medical Specialties. IR utilizes real-time imaging to perform minimally-invasive vascular and interventional procedures. The goals of the 4th year medical student rotation in the vascular and interventional radiology department of St. Louis University are based on the Accreditation Council for Graduate Medical Education (ACGME) six core competencies used by graduate medical education programs to evaluate trainees. The six ACGME Core Competencies are: patient care; medical knowledge; practice-based learning and improvement; interpersonal and communication.

R 0408 - Pediatric Neuroradiology
Credit(s): 2-12 Credits (Repeatable for credit)
Direct observation and instruction on how to interpret neuroimaging studies in children. Will be working with attending neuroradiologist at Cardinal Glennon.
