SEXY AND STRATEGIC INTELLIGENCE (SSI)

SSI 1500 - Foundations of Security and Strategic Intelligence
Credit(s): 3 Credits
An introduction to the program of study, providing the student with a foundation for the study of security and intelligence by identifying security concepts (Securing humans, tangible assets, and information), intelligence concepts (the cycle of intelligence: collection, processing, analysis, dissemination, feedback/utilization), and the roles of security and intelligence professionals within corporate and governmental organizational contexts.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Attributes: Prof. Studies Students Only

SSI 2000 - Threat and Risk Assessment
Credit(s): 3 Credits
An investigation of the tools utilized to identify threats and risks and then effectively assess, mitigate, and manage those risks. The course integrates components of information technology, analytics, and psychology with threat and risk analysis and spans the issues inherent in both corporate and governmental contexts.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; SSI 1500
Attributes: Prof. Studies Students Only

SSI 2930 - Special Topics
Credit(s): 3 Credits (Repeatable for credit)

SSI 2980 - Independent Study
Credit(s): 1 or 3 Credits (Repeatable for credit)

SSI 3000 - Coordination across Agencies, Organizations, and Departments
Credit(s): 3 Credits
An investigation of the roles of SSI professionals within large organizations, including creation and maintenance of effective relationships across departmental, organizational, and agency lines and exploration of the benefits for the both the SSI professional and his/her organization gained through identifying and creating innovative ways to provide service and added value across these lines.
Prerequisite(s): SSI 3000
Attributes: Prof. Studies Students Only

SSI 3010 - Business Continuity and Impact Analysis
Credit(s): 3 Credits
This course introduces students to the concept of continuity planning by providing an overview and in depth discussion of continuity, including its definition, the legal basis for continuity planning, and the continuity program management cycle. Students review the application of continuity planning to the private sector within organizations across many industries while developing familiarity with the tools associated with effective business continuity planning, such as Business Impact Analysis (BIA).
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Restrictions: Enrollment limited to students in the Schl for Professional Studies college.
Attributes: Prof. Studies Students Only

SSI 3020 - Intelligence and its Use in National & Corporate Security
Credit(s): 3 Credits
Extends SSI 1500 by focusing on a deeper exploration of intelligence, the cycle of intelligence and counterintelligence within the greater framework of both national and corporate security. Students will learn how intelligence is used in both governmental and corporate decision making. The complementary roles played by various organizations and governmental agencies of the Intelligence Community, the Department of Defense, the Department of Homeland Security and other organizations are discussed.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Restrictions: Enrollment limited to students in the Schl for Professional Studies college.
Attributes: Prof. Studies Students Only

SSI 3030 - Global Security Management
Credit(s): 3 Credits
Extends SSI 150 by serving as a continuing investigation of the protection of human and tangible assets and information at a global, strategic level. It discusses the issues involved in dealing with complex policy formation that must be effective and compatible across many cultures and nations. The role of technology and its impact on private sector organizations are addressed, including topics such as social media, intellectual property/piracy, and brand protection.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Attributes: Prof. Studies Students Only

SSI 3040 - Contemporary Perspectives on Policing
Credit(s): 3 Credits
This course prepares the student to understand contemporary perspectives on policing and incorporate ideas related to customer service, crime prevention, and community policing. The student will review a variety of policy perspectives from across the U.S. as well as have the opportunity to explore benefits and disadvantages of each. The course will culminate with the student developing his/her own in-depth philosophy on law enforcement and policing.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Restrictions: Enrollment limited to students in the Schl for Professional Studies college.
Attributes: Prof. Studies Students Only

SSI 3100 - Analytics in Security and Intelligence
Credit(s): 3 Credits
An investigation of the roles of SSI professionals within large organizations, including creation and maintenance of effective relationships across departmental, organizational, and agency lines and exploration of the benefits for the both the SSI professional and his/her organization gained through identifying and creating innovative ways to provide service and added value across these lines.
Prerequisite(s): ENGL 2005; (CIS 2875 or CIS 2850); CMMK 1210; PSYK 1010; SSI 1500
Attributes: Prof. Studies Students Only

SSI 4500 - Financial & Regulatory Considerations in Risk Planning
Credit(s): 3 Credits
This course focuses on in-depth discussion of the financial issues that must be addressed in departments that oversee security in contemporary organizations. Whether single- or multi-site, domestic or global, all security operations must consider the important financial implications of their field. With issues ranging from budgeting to finance to legal and regulatory requirements, this course provides students with an in-depth discussion of important elements regarding financial operations in private-sector security.
Prerequisite(s): SSI 4500
Restrictions:
Enrollment limited to students in the Schol for Professional Studies college.

Attributes: Prof. Studies Students Only

SSI 4650 - Law Enforcement Administration
Credit(s): 3 Credits
The course provides an in-depth investigation of the nature, structure, and administrative processes of law enforcement organizations, from local to state to federal agencies. Students develop the introductory skills required to effectively administer a law enforcement department and apply the knowledge and skills they learned across the curriculum to develop the competencies required to analyze personnel roles and functions and plan departmental initiatives.
Prerequisite(s): SSI 3040
Attributes: Prof. Studies Students Only

SSI 4800 - SSI Capstone
Credit(s): 3 Credits
The program capstone provides students with a service-learning/internship opportunity in which they work with an organization of their choice to identify and define a problem that is of importance to the organization and design and implement a solution that is deemed satisfactory by the organization, within the various constraints associated with the implementation. The capstone serves to integrate the students’ program of study of security and intelligence and provides oversight into the concepts and information learned and insight into practical application over the course of a career.
Restrictions:
Enrollment limited to students with a classification of Senior.
Enrollment limited to students in the Schol for Professional Studies college.

Attributes: Prof. Studies Students Only, UUC:Reflection-in-Action

SSI 4900 - Security and Strategic Intelligence Capstone
Credit(s): 3 Credits (Repeatable for credit)
The program capstone provides students with a service-learning/internship opportunity in which they work with an organization of their choice to identify and define a problem that is of importance to the organization and design and implement a solution that is deemed satisfactory by the organization, within the various constraints associated with the implementation. The capstone serves to integrate the students’ program of study of security and intelligence and provides oversight into the concepts and information learned and insight into practical application over the course of a career. Final Term or Permission from Chair.
Restrictions:
Enrollment limited to students with a classification of Senior.
Enrollment limited to students in the Schol for Professional Studies college.

Attributes: Prof. Studies Students Only, UUC:Reflection-in-Action

SSI 4910 - SSI internship
