UNIV 1020 - The First-Year Seminar-Madrid  
Credit(s): 0-1 Credits  
Welcome to Saint Louis University. And to Madrid. A practical approach to the transitions that first-term students make at the Madrid campus. The course offers useful suggestions and mechanisms to respond to the pressures of meeting new people, living in a new culture (both that of the university and that of Spain), and making difficult and obvious or maybe not so obvious choices. The meetings connect students to University resources and introduce them to what to expect and not expect during their first few weeks on campus and in the most exciting city in Europe.
