Welcome to Saint Louis University. And to Madrid. A practical approach  
to the transitions that first-term students make at the Madrid campus.  
The course offers useful suggestions and mechanisms to respond to  
the pressures of meeting new people, living in a new culture (both that  
of the university and that of Spain), and making touch and maybe not  
so obvious choices. The four meetings connect students to University  
resources and introduce them to what to expect and not expect during  
their first few weeks on campus and in the most exciting city in Europe.
