

BUSINESS ADMINISTRATION, M.B.A. (EVENING)

The part-time, evening MBA program is tailored to accommodate the schedules of working professionals. Courses are offered weekday evenings (Monday through Thursday), generally from 6:00 to 9:15 p.m. To increase flexibility, students can begin the program in January, May or August.

While most AACSB-accredited schools only allow students to transfer up to six credits if needed, the agreement with the Jesuit MBA network allows students to transfer all credits to partner Jesuit schools if the needs arises for relocation. Merit based scholarships are available for qualified applicants and are assessed at the time of admission.

Curriculum Overview

In the part-time, evening MBA program, courses are offered in the evenings Monday through Thursday, allowing students to complete the program and maintain full time employment. On average, evening MBA students complete the program in two-and-a-half years but are allotted up to five years, if necessary, allowing students to maintain a balance between their personal and professional life.

The part-time evening program requirements range from 36-48 credits, depending on prior academic background. The part-time program consists of 12 credits of foundation coursework (economics, accounting, applied business statistics, and operations management), 21 credits of advanced managerial core requirements and 9 credits of advanced electives. Partial to complete waivers may be offered for the four foundations courses for students demonstrating competency through coursework completed in the last 5 years.

The advanced managerial core includes coursework in Finance, Information Technology, Global Business, Business Analytics, Management, Marketing, Legal/Ethical Environment of Business and Professional Effectiveness. Last, students complete a Strategy and Practice course during which students participate in live team-based consulting projects with local for-profit and nonprofit organizations. The course is aimed at developing teamwork and integrated strategy skills. Electives may be taken in any business discipline or, with academic approval, several non-business disciplines.

Students have the option to concentrate the electives of their coursework in one of the following areas of emphasis:

- Accounting
- Economics
- Entrepreneurship
- Finance
- Information technology management
- International business
- Management
- Marketing
- Project management
- Supply chain management

Internships/Student Organizations

Saint Louis' urban location provides many internship opportunities, which allow students to gain career-related work experience while applying classroom learning to practice.

Careers

The Richard A. Chaifetz School of Business has a dedicated Career Resources Center and Graduate Career Advisor to help MBA students define professional goals, build essential career skills, create a robust professional network and develop a job search strategy. The center's support, resources and advisement are available to students after graduation.

Graduates of the MBA program have been hired by organizations including: Aegis Strategies, Ameren, Anheuser Busch, Ascension Health, BJC, The Boeing Company, Caleres, Cerner, Deloitte, Edward Jones, Emerson, Ernst & Young, Express Scripts, KPMG, MasterCard, Mississippi Lime, Nestle Purina, Parkside Financial, Rubin Brown, Spectrum Brands, Summit Strategies, U.S. Bank and World Wide Technology.

Admission Requirements

Applicants are reviewed for past undergraduate work, internship experience, and GMAT or GRE scores. While there is no minimum GMAT score required, the average GMAT score is 590. Average GRE scores are 150-153 on each section, quantitative and verbal. Successful applicants demonstrate a 3.0 grade point average in past academic programs.

Application Requirements

- Completed online application
- Transcript(s)
- Two letters of recommendation
- GRE or GMAT scores
- Résumé
- Personal goal statement of fewer than 500 words

Requirements for International Students

- Applicants who are not U.S. citizens or permanent residents will also need to submit:
- Addendum form outlining certification of financial support for one year of study (if a student visa is required) submitted with necessary documentation.
- For non-native speakers of English, an official TOEFL or IELTS score report is also required and must be sent directly from ETS or the British Council (The school code is 6629 for ETS). TOEFL and IELTS scores should be no more than two years old. This program requires a TOEFL score of 88 and an IELTS broadband of at least a 6.5.
- The Pearson Test of English scores can be accepted as well.
- A GPA on a 4.0 scale is required and should be reflected on official transcripts or documentation. All international transcripts must be calculated by the World Education Services (WES) or the Educational Credential Evaluators (ECE) and include a course-by-course evaluation, including GPA and course levels.
- The graduate business programs office prefers WES but will accept ECE.
- INTO SLU offers a pathway program for international students who are interested this program but do not meet the direct

entry requirements. Visit intostudy.com/slu/programs for more information.

Application Deadline

Applications for admission are considered on a rolling basis. Recommended deadlines for each term are as follows: Fall: August 1 (July 15th for international students); Spring: Dec 1, Summer: April 15 (April 1 for international students).

Review Process

Applications are reviewed on a rolling basis once all application materials are received. Application files are reviewed holistically (undergraduate work, professional experience, test scores and personal goal statement). The average time for admissions decisions is one to two weeks.

Scholarships and Financial Aid

For more information, visit the student financial services office online at <http://finaid.slu.edu>.

Accreditation

The Richard A. Chaifetz School of Business is accredited by AACSB, the Association to Advance Collegiate Schools of Business, the world's largest business education alliance and accrediting body of business schools, ensuring continuous quality improvement in terms of curriculum, instructional resources, student selection, career placement and intellectual contributions and qualifications of the faculty. Less than 10% of business schools worldwide have achieved AACSB accreditation.

Learning Outcomes

- Graduates will develop a strategic level understanding of the key functions of business—accounting, economics, finance, international business, management, marketing, operations, and statistics.
- Graduates will practice problem analysis and decision-making and present results, both individually and as part of teams and groups, using vehicles such as problem and case analysis, integrated modules, and live consulting opportunities.
- Graduates will be aware of globalization and its impacts on people, businesses, and the economy.
- Graduates will participate in at least one service learning experience during the course of their studies and/or participate and assume leadership roles in student and community organizations.
- Graduates will be exposed to values issues and application of values to business professions in case analysis and in classroom interaction.
