CURRICULUM AND INSTRUCTION PROGRAM

Leadership
Jennifer Buehler, Ph.D.
Program Director

Overview
The programs in Curriculum and Instruction are ideal for those interested in writing curriculum and/or improving instruction in a variety of fields such as education, physical therapy, and business. Students accepted into this specialty focus on curriculum and related instructional processes and tools, including technology. Students may select an area of emphasis outside the School of Education.

About the Faculty
Faculty members take a genuine interest in students, serve as strong role models of success and acquaint students with the challenges and joys of the profession. The faculty seek an appropriate balance between theory and practice, between action and reflection, and between intellect and affect.
