MAJORS AND PROGRAMS

A degree is about more than the diploma you earn. Saint Louis University offers challenging and relevant undergraduate, graduate and professional degrees for today's changing world — along with the context and connections that will help you make the most of what you learn. Combined with optional concentrations, minors, certificates, and accelerated programs, SLU offers you a truly personalized college experience.

On our main campus in St. Louis, Missouri, our international campus in Madrid, Spain, or via our degree programs offered entirely online, at SLU you can be confident that you're getting a world-class education. Saint Louis University is highly ranked by U.S. News & World Report and The Princeton Review (https://www.slu.edu/about/key-facts/rankings.php), among others. Plus, we're one of only 14 Catholic universities with a high or very high research activity classification from the Carnegie Foundation, offering many students hands-on experience from day one.
